

Environmental Protection Agency

§ 33.107

(2) Conditions in the recipient's jurisdiction are appropriate for implementing the request; and

(3) The request is consistent with applicable law.

(c) The OSDBU Director has the authority to approve a recipient's request. If the OSDBU Director grants a recipient's request, the recipient may administer its program as provided in the request, subject to the following conditions:

(1) The recipient's level of MBE and WBE participation continues to be consistent with the objectives of this part;

(2) There is a reasonable limitation on the duration of the recipient's modified program; and

(3) Any other conditions the OSDBU Director makes on the grant of the waiver.

(d) The OSDBU Director may end a program waiver at any time upon notice to the recipient and require a recipient to comply with the provisions of this part. The OSDBU Director may also extend the waiver if he or she determines that all requirements of paragraphs (b) and (c) of this section continue to be met. Any such extension shall be for no longer than the period originally set for the duration of the program waiver.

§ 33.105 What are the compliance and enforcement provisions of this part?

If a recipient fails to comply with any of the requirements of this part, EPA may take remedial action under 40 CFR parts 30, 31 or 35, as appropriate, or any other action authorized by law, including, but not limited to, enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 *et seq.*). Examples of the remedial actions under 40 CFR parts 30, 31, and 35 include, but are not limited to:

(a) Temporarily withholding cash payments pending correction of the deficiency by the recipient or more severe enforcement action by EPA;

(b) Disallowing all or part of the cost of the activity or action not in compliance;

(c) Wholly or partly suspending or terminating the current award; or

(d) Withholding further awards for the project or program.

§ 33.106 What assurances must EPA financial assistance recipients obtain from their contractors?

The recipient must ensure that each procurement contract it awards contains the term and condition specified in Appendix A to this part concerning compliance with the requirements of this part. The recipient must also ensure that this term and condition is included in each procurement contract awarded by an entity receiving an identified loan under a financial assistance agreement to capitalize a revolving loan fund.

§ 33.107 What are the rules governing availability of records, cooperation, and intimidation and retaliation?

(a) *Availability of records.* (1) In responding to requests for information concerning any aspect of EPA's DBE Program, EPA complies with the provisions of the Federal Freedom of Information and Privacy Acts (5 U.S.C. 552 and 552a). EPA may make available to the public any information concerning EPA's DBE Program release of which is not prohibited by Federal law or regulation, including EPA's Confidential Business Information regulations at 40 CFR part 2, subpart B.

(2) EPA recipients shall safeguard from disclosure to unauthorized persons information that may reasonably be considered as confidential business information, consistent with Federal, state, and local law.

(b) *Cooperation.* All participants in EPA's DBE Program are required to cooperate fully and promptly with EPA, EPA Private Certifiers and EPA recipients in reviews, investigations, and other requests for information. Failure to do so shall be a ground for appropriate action against the party involved in accordance with § 33.105.

(c) *Intimidation and retaliation.* A recipient, contractor, or any other participant in EPA's DBE Program must not intimidate, threaten, coerce, or discriminate against any individual or firm for the purpose of interfering with any right or privilege secured by this part. Violation of this prohibition shall be a ground for appropriate action

against the party involved in accordance with § 33.105.

Subpart B—Certification

§ 33.201 What does this subpart require?

(a) In order to qualify and participate as an MBE or WBE prime or subcontractor for EPA recipients under EPA's DBE Program, an entity must be properly certified as required by this subpart.

(b) EPA's DBE Program is primarily based on two statutes. Public Law 102–389, 42 U.S.C. 4370d, provides for an 8% objective for awarding contracts under EPA financial assistance agreements to business concerns or other organizations owned or controlled by socially and economically disadvantaged individuals, including HBCUs and women ("EPA's 8% statute"). Title X of the Clean Air Act Amendments of 1990, 42 U.S.C. 7601 note, provides for a 10% objective for awarding contracts under EPA financial assistance agreements for research relating to such amendments to business concerns or other organizations owned and controlled by socially and economically disadvantaged individuals ("EPA's 10% statute").

§ 33.202 How does an entity qualify as an MBE or WBE under EPA's 8% statute?

To qualify as an MBE or WBE under EPA's 8% statute, an entity must establish that it is owned or controlled by socially and economically disadvantaged individuals who are of good character and citizens of the United States. An entity need not demonstrate potential for success.

(a) *Ownership or control.* "Ownership" and "control" shall have the same meanings as set forth in 13 CFR 124.105 and 13 CFR 124.106, respectively. (See also 13 CFR 124.109 for special rules applicable to Indian tribes and Alaska Native Corporations; 13 CFR 124.110 for special rules applicable to Native Hawaiian Organizations).

(b) *Socially disadvantaged individual.* A socially disadvantaged individual is a person who has been subjected to racial or ethnic prejudice or cultural bias because of his or her identity as a

member of a group without regard to his or her individual qualities and as further defined by the implementing regulations of section 8(a)(5) of the Small Business Act (15 U.S.C. 637(a)(5); 13 CFR 124.103; see also 13 CFR 124.109 for special rules applicable to Indian tribes and Alaska Native Corporations; 13 CFR 124.110 for special rules applicable to Native Hawaiian Organizations).

(c) *Economically disadvantaged individual.* An economically disadvantaged individual is a socially disadvantaged individual whose ability to compete in the free enterprise system is impaired due to diminished capital and credit opportunities, as compared to others in the same business area who are not socially disadvantaged and as further defined by section 8(a)(6) of the Small Business Act (15 U.S.C. 637(a)(6)) and its implementing regulations (13 CFR 124.104). (See also 13 CFR 124.109 for special rules applicable to Indian tribes and Alaska Native Corporations; 13 CFR 124.110 for special rules applicable to Native Hawaiian Organizations). Under EPA's DBE Program, an individual claiming disadvantaged status must have an initial and continued personal net worth of less than \$750,000.

(d) *HBCU.* An HBCU automatically qualifies as an entity owned or controlled by socially and economically disadvantaged individuals.

(e) *Women.* Women are deemed to be socially and economically disadvantaged individuals. Ownership or control must be demonstrated pursuant to paragraph (a) of this section, which may be accomplished by certification under § 33.204.

§ 33.203 How does an entity qualify as an MBE or WBE under EPA's 10% statute?

To qualify as an MBE or WBE under EPA's 10% statute, an entity must establish that it is owned and controlled by socially and economically disadvantaged individuals who are of good character and citizens of the United States.

(a) *Ownership and control.* An entity must be at least 51% owned by a socially and economically disadvantaged individual, or in the case of a publicly traded company, at least 51% of the stock must be owned by one or more
